

THE GUILD DE CARIDAD, which is composed of a small group of charitable and civic-minded persons of this city, is planning a semi-formal, spring cotton dance, to be given on Friday, May 19th, at 43 Belmont Avenue, for the benefit of the House of Friendliness, Y.W.C.A. Admission will be by invitation, only. Subscription is 75 cents.

The proceeds of this affair will be donated to the House of Friendliness, as a testimonial for what it has done for the colored youth of our city, and also to help in its present struggle for existence. We believe that you are one of those who want the Colored Y.W.C.A. to continue in Jersey City.

Can we count on you as a patron for this affair? The price is 75 cents, the same as the general admission. Returns from patrons should be in our hands not later than April 29th, as our invitations will positively go to press on May 1st. All patrons' names will be printed on our invitations.

Kindly communicate your reply to the person whose name appears below.

Yours sincerely,

GUILD DE CARIDAD.
